## Multiplications de 1 à 12

### Le chemin invisible

À partir du point de départ, colorie les cases contenant les opérations qui sont vraies pour découvrir le chemin qui te mènera à la ligne d'arrivée.

|                    |                      |                      |                      |                      |                    |
|--------------------|----------------------|----------------------|----------------------|----------------------|--------------------|
